Cityscapes presents diverse depictions of the urban landscape. Iconic landmarks and empty street corners are displayed together, showcasing the variety of New York City's architecture. From atmospheric renderings of a rainy Chelsea street corner to iconic views of the Statue of Liberty, the styles and mediums represented are as varied as the city's inhabitants, each with its own viewpoint and story.

City Streets I features work by Brad Aldridge, Derek Buckner, Julian Cardinal, Steven Katz, Roland Kulla, Stephen Magsig, Benett Vadnais, Karen Woods, Andrew Woodward, Elizabeth O'Reilly, Kenneth Templeton, Aaron Apsley, and Christopher Burk.

The George Billis Gallery marks its 20th year in the Chelsea Art district and its sister gallery is located in the burgeoning gallery district of Culver City in Los Angeles.
