7th Avenue,
Graphite on Board, 20 x 9.25 inches

George Billis Gallery is pleased to announce Roger Watt and his work at the New York location. This exhibition will run from March 31st to April 25th, 2015. The opening reception will be held at the George Billis Gallery located at 525 West 26th Street between 10th and 11th avenues on Thursday, April 2nd, from 6-8 pm.

The physical process of putting marks on paper with graphite is distinctly personal as it is a link to Watt's father who first instilled in him the pure joy of drawing. He has long had a fascination for the effects of light on industrial metal and his work increasingly explores its atmospheric properties in everyday situations.

The exhibition will consist of beautifully rendered graphite drawings of New York City as well as trains in motion in this new series of work by this Canadian based artist.
